

President's Report

October 4, 2021

9/14 Attended DDA Meeting. Let them know that at the October DDA Meeting there should be someone from NEMCOG there to begin the process of completing the RRC documents.

9/25 ARA Site for Animal Swap and Flea Market.

9/27 Phil Jordan – Needs photo of Tank for report to TACOM.

9/28 Dale Jobe – spoke with regards to locks on the restroom doors and winterizing the restrooms at the park. Also, the tires on the VOL Pickup truck need to be replaced. Dale has received some quotes.

9/30 Warren – I went over to E Main and watched as the new section sidewalk was poured. Looks really nice. The dock and slide are out of the lake.

Citizen Concerns:

Zoning:

Spoke with Denise Cline at NEMCOG.

Road Report

9/27 set up login for MDOT – ADARS reporting. Waiting for authorization to enter data.

9/28 received e-mail from MDOT, we have been granted an extension until Nov. 30th to get the ADARS Report submitted. I have spoken with Bob Moran, of Stephenson & Co. we will work together to get the data gathered and submitted.

Respectfully submitted,

Sheila
