

4/3/2023

President's Report

3/14 DDA Meeting – Waiting for word from Joe James as to when we will meet with Gary Bartow to seek grants to assist with repairs. Discussion held with regards to the possibility of making the Village a more Veterans Friendly Community. Discussion also held on rental housing units.

3/15 Board of Commissioners Meeting – Let the Commissioners know that the Village is moving forward with Having the State do Brownfield testing on the VA sites. Also that the Village is excited about the Veterans Council chose Lincoln for their new home.³

3/20 Planning Committee Meeting.

3/21 Fair Board Meeting

I need to be able to answer the request from the Alcona High School Class of 1973 to use the Pavilion on the evening of July 21, 2023. Told them I would let them know after the Council's meeting on March 6th. In speaking with Gary he would be happy to move the Village Picnic Tables to the pavilion so that they would have places to sit.

Road Report

Gary has been in contact with Mike at the Road Commission and there is a culvert that we need to replace. Gary was going to speak with Jessie and see what it would cost for the Road Commission to do the work.

I reminded Gary that we have different pots of funding for the roads and that we have to watch how we spend it.

UPCOMING EVENTS
