

Here is my zoning report. First to let everybody know that I took pictures and sent to Mr Cook on the two pieces of property on Traverse Bay rd.

Second one about the dumpster at Mr Bobick. I dropped off the violation that he is falls under to Mr Bobick. He told me that he would get a hold of Mr Cook to solve this problem hopefully. I haven't anything back on either matter. I believe Mr Cook is handling this. If there is more I can do on these issues let me know. Now it's up to the village counsel & Mr Cook to purse or not. There is a couple of other things I'm looking at but I'll wait till we solve these two issues first. Any other issues I can help with let me know. My e-mail is troysomers@hotmail.com I plan on joining the meeting Monday. Been a little crazy with covid, school closing and several other things. Be safe.
