During the recent snow storms I had a few concerns expressed and I explained that Gary was new & this was his first winter. Spoke with Gary and he addressed the concerns expressed. Also had a couple of complaints regarding snow removal on the sidewalks in the DDA District. I addressed the complaints.

I had a request from the Alcona High School Class of 1973 to use the Pavilion on the evening of July 21, 2023. Told them I would let them know after the Council's meeting on March 6<sup>th</sup>.

Requested assistance from the Lincoln Fire Department to be on site during the Bump & Run. Was very disappointed in the response from the current Fire Chief. Fortunately, the City of Harrisville stepped up to the plate and was on site along with the Alcona County Ambulance. Good news, there were no serious accidents or injuries during the race. Just good old family fun.
