ROADS

4/4 Meet with Jesse Campbell and Gary at the Road Commission.

- Discussed road repairs (culvert replacement) on Lake Street just north of the Road Commission. The Road Commission can replace the culvert at a price not to exceed \$2,860.00. Which is a savings of \$2,390.00 from the quote from C & C.
- Jesse will put the Village in for Region 9 Transportation Funds to assist with future seal coating. It will be 3 years from now, before we receive funding. Jesse estimates it will run about \$16,000.00 per mile of seal coat.

Other

4/4 Spoke with Mr. Smiley and they estimate the new VA building should be open by Memorial Day. The Veterans Council has received a grant for a vehicle and blacktopping the parking lot. Cole's Appliance has donated the flooring for the new building. They will need a curb cut in front of their building to assist handicapped Veterans. They are under the impression that the DDA will pay for.
