The streetlights are all working on 2<sup>nd</sup> Street. Drivers for the lights have been replace at a cost of \$1,501.55.

Mr. James is helping the Village with new barrier concrete blocks down at the beach area. Each block can stop up to 3500 pounds. This will provide a safer barrier for the public beach.

- 5/20/2024 Planning Commission Meeting – discussion was held with regards to updating the Village Master Plan, Parks and Recreation Plan and Zoning Ordinance. Ms. Goldstrom brought up removing her home from the DDA District. She was referred to the DDA, as the Planning Commission does not set the boundaries.

I spoke with Sheriff Stevenson with regards to allowing Marijuana sales within the Village. He shared with me that the fees collected go to enforcement of the law that applies to the facilities. Food for thought, is there enough revenue from the fees to pay for a constable to enforce the law? The Sheriff indicated that his department will not contract with us to do the job.
