President's Report

- DDA Meeting – Cancelled, did not have a quorum.
- 8/13 Fleis & Vandenbrink Meeting - Doreen, Marsha, Linda & I meet with Chris Hennesay and discussed possible projects for the Village in the future. Chris spoke about State Grants which would pay the going price for a piece of property to make or expand a park. He also spoke about how we can use federal grants as a match for state grants so that we can get 100% funding for some projects. Potential projects need to be in our Master and Parks & Recreation plans.
- 8/19 /2024 Planning Commission Meeting – discussed the 7/19 Town Hall Meeting.

### **ROADS**

8/13 Spoke with Jesse at the Road Commission. Gary has provided them with a map of the street markings that need to be repainted. Jesse is in contact with the pavement marking company.

We also discussed seal coating Traverse Bay Rd. between Second Street and Barlow Rd. to extend the life of the surface. We are discussing Region 9 Funds to help pay for the project; and we may be able to have the Road Commission do the work.

Jesse provided me with the names of two companies which install guard rail. It has been about 11 years since the guard rail on Second St & Millen has been replaced, and we need to start looking at replacing it.

Linda & I had a request to put a 25 MPH sign up on Millen and 1<sup>st</sup> Street near the beach area. So, we had Gary install 25 MPH signs and a Children Playing sign, to help slow the traffic in that area.
