Roads

Spoke with Jessie regarding a traffic study on Traverse Bay Rd. He suggested that I contact Niko at NEMCOG to see if he is able to do it. I was holding off due to the holidays.

Other

Spoke with Mrs. Conley about a septic problem at her son's neighbor's home, which could have caused problems with her son's water well. Spoke with Nancy at DHD#2 and the landowner. The landowner was very kind, and a new septic tank has been installed.

I have been working on the Title VI document for the council, after reviewing and re-formatting, we will need to follow whatever the process is for adopting the document. We will need legal counsel to look over and provide input.
